A Project of  
H.E.A.L. INTERNATIONAL FOUNDATION NV

### Mission Statement

Our Health Oasis Resort project is the prototype of much larger global project which intends to develop or/and network of health operations (resorts, centers, retreats, schools, stores, funds) with health practitioners, instructors, producers, traders, investors & entrepreneurs.) The purpose is to provide quality information & integrated solutions for people worldwide to access and experience for a short or long time multiple opportunities for well being at all levels (physical, emotional, mental, spiritual, financial). We deserve it and our children deserve it too. We are committed to demonstrate through our projects that it is now possible and therefore inspire others to take action in that direction. Now!!!

### Exciting opportunities for
